

The Kenosha Area Business Alliance believes that a well-trained work force is an efficient work force. We also understand the efforts employers make to consistently improve their bottom line. To show our commitment to these needs, we are proud to continue our **TRAINING INCENTIVE PROGRAMS**.

KABA TRAINING INCENTIVE PROGRAMS

Providing three ways to save on quality training!

1. FREQUENT TRAINING PROGRAM

After every fifth training session your organization registers for annually, you will receive a \$25 training discount certificate. Each employee participating in a class will count as a separate registration. On-site training will count as one session.

2. PRE-PAID TRAINING PROGRAM

Purchase \$500 of pre-paid training and receive \$50 of free training. Pre-paid training will be sold in \$500 increments and can be used by anyone in your organization. It must be purchased by April 30 and used before December 31.

3. TRAINING REFERRAL PROGRAM

If your organization refers a non-member organization to a KABA training session, you will receive a referral discount of \$25 on your next training session. To receive the discount, the referred organization must participate in a training course and you must complete and return a referral form to KABA prior to their registration. Referral forms are available online at www.kaba.org.

If you have any questions regarding KABA's Training Incentive Programs, please contact Diana Ide-Gonzalez at (262) 605-1100 or dide-gonzalez@kaba.org.

*For accounting purposes, all programs will be based on a calendar year, January 1 – December 31.
