We are a 5 star-rated, nationally accredited, eco-healthy center and have been dedicated to providing a healthy environment since we opened in 2010. We are following additional guidelines including increased sanitizing and wellness checks. Our center was designed to provide the best indoor air quality via safe and eco-healthy building materials and a fresh air exchange system that utilizes HEPA filtration. Your child's health and safety will continue to be our number one priority

**Eco-Healthy Child Care®**
