

Breast Cancer Awareness & Health Fair

Join us for an informative night with our dedicated breast surgeon, **Dr. Jodi Brehm**, and oncologist, **Dr. Michael Mullane**, providing you with the INs and OUTs of detecting breast cancer early, and most importantly when to **take action!**

Tuesday, Oct. 3
4 to 7 p.m.

Aurora Health Center
12500 Aurora Dr.
Pleasant Prairie, WI

Presentations start at 4:30 pm

Get latest information on important topics such as:

- Resiliency and how to manage stress presentation
- Boosting your breast health
- Breast cancer screening recommendations
- Are you at risk for breast cancer
- Genetic counseling and testing
- Breast reduction and reconstruction options
- Weight management and exercise

Also enjoy:

- Exclusive meet and greets with physicians and other clinical staff
- Bone density, heart health and blood pressure education/screening
- Relaxing massage, acupressure, Reiki and aromatherapy education
- Pink hair extensions
- Refreshments and giveaways

NEW PATIENTS WELCOME!

While you're here, have your mammogram performed during the event with state-of-the-art 3D technology for clearer, more detailed imaging.

Please call in advance to schedule, limited spots available, 262-857-5036.

*Women ages 40 to 44 should have the choice to start annual breast cancer screening with mammograms (X-rays of the breast) if they wish to do so. Women ages 45 to 54 should get mammograms every year. Women 55 and older should switch to mammograms every 2 years or can continue yearly screening.
